Woolen Presenters

Produced from the same natural wool and recycled fibreboard used in the Natural Legacy™ Caskets, Woolen Presenters can be used as temporary or permanent cremation urns. Highly versatile in terms of uses, presenters are available in both single and double urn sizes and choice of brown or natural color. Customize with optional name plates.

Natural Legacy™ Caskets and Presenters use British Wool, a natural fiber from sheep tended and grazed in the United Kingdom in a manner unchanged for centuries. British Wool is strong, resilient and durable while being soft and luxurious.

Woolen Caskets

Natural Legacy™ Caskets are produced from pure British wool hand stretched over a superbly engineered, recycled fibreboard frame. The woolen exteriors have a very warm, comforting appeal. Interiors are generously fitted with organic cotton. Natural Legacy™ Caskets are available in a wide range of sizes – Infant; Child; Adult; Oversized. All are approved by the Green Burial Council. Warm woolen blankets are included with small size caskets.

Adult caskets are available in choice of natural or brown wool and all sizes are customizable with optional embroidered name plates.

Natural Legacy™ Caskets are suitable for burial or cremation and meet many special religious requirements.

Half Lid for Adult Caskets

Half lids and woolen overlays are available for open casket visitations. Floral sprays fit attractively.

Embroidered Name Plates

Name Plates offer families a unique opportunity for personalization. Three lines of text may include meaningful designs and symbols. Wooden toggles secure name plates to caskets or presenters.
