

Adult Woolen Casket

Natural Legacy™ Caskets, constructed of pure virgin wool and strong recycled fibreboard, come fitted with organic cotton interior, cotton mattress and hand-applied jute trim. Materials are approved by the Green Burial Council.

Adult caskets are:

- Certified at 500 pounds
- Lightweight for easy handling
- Lined to prevent leakage
- Available in natural and brown
- Customizable with name plates

“ what people are saying...

“There’s nothing else quite like them.”

“Families are drawn to the warmth of the wool.”

“Great for Green Burial or for an easy to implement Natural Burial.”

Woolen Presenter

Funeral Professionals value this highly versatile Woolen Urn. Used to present, carry-in-ceremony or inter, this temporary or permanent cremation container is available in single and double urn sizes.

Embroidered Name Plate

Embroidered Name Plates offer families a unique opportunity for personalization. Three lines of text may include meaningful designs and symbols. Wooden toggles secure to Casket or Presenter.

Woolen Infant and Child Caskets

The Natural Legacy™ Woolen Infant and Child Series offers a gentle and soft alternative to the traditional casket. The warm and tactile feel of the woolen exterior is enhanced by the soft padded interior and woolen blanket. These caskets give a feeling of warmth and comfort evocative of a Moses Basket. Available in natural color only.

Half Lid for Adult Caskets

Half lids, available in natural or brown wool, fit adult casket sizes 1-4. Wooden toggles secure the half lid to the casket. Disposable cotton drape (shipped in five pack) attaches to the half lid and is replaced after each use. Size 5 half lid can be special ordered.

Grave Guard

Ask about pairing a Natural Legacy™ Casket with an open bottom outer burial container for an easy to implement Natural Burial in any cemetery.
